

# WFME WORLD CONFERENCE 2025, Bangkok, Thailand

The World Federation for Medical Education (WFME) and the Institute for Medical Education Accreditation (IMEAc), are co-hosting the **WFME World Conference 2025** from **25-28 May** in Bangkok, Thailand. This anticipated event offers a unique platform for medical education advocates from all backgrounds to connect, share knowledge, and inspire positive change.

## Theme: Health for All - Through Quality Medical Education

### Plenary Themes

**Plenary 1:** Imagining Medical Education of the Future: Training physicians for the 21st Century.

**Plenary 2:** What's next for the WFME? The future of WFME and Declaration Launch.

**Plenary 3:** Training the physician workforce that responds to population needs - How can medical education maximally impact the health of all?

**Plenary 4:** Does medical education accreditation make a difference?

Visit the conference website for programme updates..

### Plenary Speakers

**Dr. Bertalan Mesko**, known as the "medical futurist," will share his insights on *Equipping physicians for the future* and **Dr Julio Frenk**, Chancellor of UCLA, will discuss *Shaping the medical profession*.

**Dr. Lujain Alqodmani**, a renowned global health leader and influencer and the Immediate-past President of the World Medical Association (WMA), will explore *Training the workforce that responds to population needs*.

**Mr. Jim Campbell**, WHO Director of Health Workforce, and an Honorary Fellow of the Faculty of Public Health and the Royal College of Surgeons in Ireland, will share his valuable insights on *Addressing the global physician workforce crisis*.

**Dr. Marta van Zanten**, Senior Director, Foundation for Advancement of International Medical Education and Research (FAIMER), will moderate the closing plenary: *The impact of medical education accreditation*.
